Dear Dr. Goheen:

*W* Thank you for your letter of March 17 announcing the seventh year of the Rockefeller Public Service Awards Program.

We are pleased to learn that the policy of having applications of candidates endorsed by the agencies where they are employed is to be continued. This procedure makes it more practical for this Agency to participate. We are particularly interested in this program and hope to be able to send nominations to the Committee on Selection in the future.

Mr. Gordon M. Stewart, Director of Personnel, will continue to serve as the point of contact with the Princeton staff of the Committee on Selection.

Sincerely,

C. P. Cabell  
Lieutenant General, USAF
